your hometown library

## What do I need?

If you have access to the Internet, your library card number and a PIN (Personal Identification Number), you may access many online databases from home. These are resources to which the library subscribes as a service for you.

## How do I get a PIN?

Bring your library card to the circulation desk at the Olathe Public Library or Indian Creek Library. You choose your own 4-digit PIN.

## What can you do?

- Search for addresses and telephone numbers for the entire US
- Search for business and company information
- Search for full text magazine and newspaper articles
- Look for health & medical information
- Look for investment reports
- Ask a homework question

## How do I access these sources from home?

Open your web browser and type in  
<http://www.olathelibrary.org>

Press Enter/Return on your keyboard.

Single click the left mouse button on  
"Online Resources."

Single click the left mouse button on  
"Electronic Databases"

Click on your database of choice.
