

How to access the library databases:

1. Go to www.olathelibrary.org
2. Find "Online Resources" in the horizontal menu bar. (hovering over tab will produce a drop menu)
3. From drop menu, click on "Online Learning."
5. Start learning!

Electronic Encyclopedias with free accessibility via online database:

CultureGrams--CultureGrams helps researchers discover the world with concise cultural and statistical snapshots of every country recognized by the United Nations -- from Afghanistan to Zimbabwe.

Encyclopedia Britannica--With over 73,000 articles, Encyclopedia Britannica is one of the most complete and accurate information sources in the world. It contains both short and book-length articles on every subject.
